that it be withdrawn. The MPEP directs that:

If the search and examination of an entire application can be made without *serious* burden, the examiner must examine it on the merits, even though it includes claims to independent or distinct inventions. (See MPEP §803, *emphasis added*).

In this instance, Applicants submit that the Examiner has not shown why the examination of all of the pending claims in this application would present a serious burden. Therefore, Applicants again request that this Restriction Requirement be withdrawn in accordance with MPEP §803.

It is believed that no fees are required for the consideration and entry of this Response. If, however, the Commissioner believes fees are required, he is authorized to charge such fees to Deposit Account No. 19-0733.

Examination on the merits is respectfully awaited.
